Graph 1: Sales of shelf stable meals, at current and constant prices, 1998-2003

### MARKET SEGMENTATION

*Overview*

Figure 9: Sales of shelf stable meals, segmented by type, 2001 and 2003

*Macaroni and cheese*

Figure 10: Sales of macaroni and cheese, at current and constant prices, 1998-2003

Graph 2: Sales of macaroni and cheese, at current and constant prices, 1998-2003

### *Shelf stable pasta*

Figure 11: Sales of shelf stable pasta, at current and constant prices, 1998-2003

Graph 3: Sales of shelf stable pasta, at current and constant prices, 1998-2003

### *Prepared chili*

Figure 12: Sales of prepared chili, at current and constant prices, 1998-2003

Graph 4: Sales of shelf stable pasta, at current and constant prices, 1998-2003

### *Microwaveable packaged dinners*

Figure 13: Sales of microwaveable package dinners, at current and constant prices, 1998-2003

Graph 5: Sales of shelf stable pasta, at current and constant prices, 1998-2003

### *Prepared dinners/entrées*

Figure 14: Sales of prepared dinners/entrées, at current and constant prices, 1998-2003

Graph 6: Sales of shelf stable pasta, at current and constant prices, 1998-2003

## **SUPPLY STRUCTURE**

### **Companies and brand sales**

Figure 15: Manufacturer sales of shelf stable meals, 2001 and 2003

### *Macaroni and cheese*

Figure 16: Brand sales of macaroni and cheese, 2001 and 2003

### *Prepared pasta*

Figure 17: Brand sales of prepared pasta, 2001 and 2003

### *Prepared chili*

Figure 18: Brand sales of prepared chili, 2001 and 2003

### *Prepared dinners/entrées*

Figure 19: Brand sales of prepared dinners/entrées, 2001 and 2003

### *Microwaveable entrées*

Figure 20: Brand sales of microwaveable entrées in the U.S., 2001 and 2003

### **Company profiles**

*Birds Eye Foods (formerly Agrilink)*

*Campbell Soup Company*

*Castleberry/Snows Brand*

*ConAgra Foods*

*Dial Corporation*

*General Mills*

*Hormel*

*Kraft Foods*

## **ADVERTISING AND PROMOTION**

*Birds Eye Foods*

*Campbell Soup Company*

*ConAgra*

*Dial*

*General Mills*

*Hormel*

*Kraft Foods*

## **RETAIL DISTRIBUTION**

### *Introduction*

Figure 21: Retail sales of shelf stable meals, by channel, 2001 and 2003

### *Supermarkets*

Figure 22: Supermarket sales of shelf stable meals, at current and constant prices, 1998-2003

### *Mass merchandisers*

Figure 23: Mass merchandiser sales of shelf stable meals, at current and constant prices, 1998-2003

## **THE CONSUMER**

### *Introduction*

*Usage of shelf stable meals*

Overall usage

Figure 24: Use of shelf stable meals, 2002 versus 2003

Figure 25: Use of shelf stable meals, by head of household gender, June 2002-May 2003

Figure 26: Use of shelf stable meals, by head of household age, June 2002-May 2003

Figure 27: Use of shelf stable meals, by household income, June 2002-May 2003

Figure 28: Use of shelf stable meals, by marital status and presence of children, June 2002-May 2003

Figure 29: Use of shelf stable meals, by number of people in the household, June 2002-May 2003

Figure 30: Use of shelf stable meals, by region, June 2002-May 2003

#### ***Household usage of canned/jarred spaghetti or macaroni***

Figure 31: Number of cans or jars of spaghetti or macaroni used in the household in the past 30 days, June 2002-May 2003

Figure 32: Number of cans or jars of spaghetti or macaroni used in the household in the past 30 days, by gender, June 2002-May 2003

Figure 33: Number of cans or jars of spaghetti or macaroni used in the household in the past 30 days, by head of household age, June 2002-May 2003

Figure 34: Number of cans or jars of spaghetti or macaroni used in household in the past 30 days, by marital status and presence of children, June 2002-May 2003

Figure 35: Number of cans or jars of spaghetti or macaroni used in the household in the past 30 days, by number of people in the household, June 2002-May 2003

Figure 37: Number of cans or jars of spaghetti or macaroni used in the household in the past 30 days, by household income, June 2002-May 2003

#### ***Number of complete packaged dinners used in the last 30 days***

Figure 38: Number of complete packaged dinners used in the household in the past 30 days, June 2002-May 2003

Figure 39: Number of complete packaged dinners used in the household in the past 30 days, by head of household age, June 2002-May 2003

Figure 40: Number of complete packaged dinners used in the household in the past 30 days, by marital status and presence of children, June 2002-May 2003 65

Figure 41: Number of complete packaged dinners used in the household in the past 30 days, by number of people in the household, June 2002-May 2003 66

Figure 42: Number of complete packaged dinners used in the household, in the past 30 days, by region, June 2002-May 2003 66

#### ***Teen usage of shelf stable meals***

Figure 43: Teen usage of shelf stable meals, June 2002-May 2003

Figure 44: Teen usage of shelf stable meals, by age and gender, June 2002-May 2003

#### ***Teen use of shelf-to-microwave dinners***

Figure 45: Number of times teens used shelf-to-microwave dinners in the past 30 days, June 2002-May 2003

Teen influence on shelf-to-microwave dinner purchase

Figure 46: Frequency teens get to decide what brand of shelf-to-microwave dinners are bought, by age and gender, June 2002-May 2003

#### ***Teen use of canned or jarred spaghetti or macaroni***

Figure 47: Number of canned or jarred spaghetti or macaroni used by teens in the past 30 days, by age and gender, June 2002-May 2003

Teen influence on brand of canned or jarred spaghetti and macaroni purchase

Figure 48: Frequency teens get to decide what brand of canned or jarred spaghetti and macaroni products are bought, by age and gender, June 2002-May 2003

#### ***Kids' usage of shelf stable meals***

Figure 49: Kids' usage of shelf stable meals, June 2002-May 2003

Frequency of kids' favorite brand of canned spaghetti or macaroni in house

Figure 50: Frequency kids' favorite brand of canned or jar spaghetti or macaroni is present, June 2002-May 2003

#### ***Types of meals eaten in last 7 days***

Figure 51: Types of meals eaten in last 7 days, February 2004

Figure 52: Types of meals eaten in last 7 days, by gender, February 2004

Figure 53: Types of meals eaten in last 7 days, by age, February 2004

Figure 54: Types of meals eaten in the last 7 days, by household income, February 2004

Figure 55: Types of meals eaten in the last 7 days, by presence of children and marital status, February 2004

#### ***Attitudes toward shelf stable meals***

Figure 56: Attitudes toward shelf stable meals, February 2004

Figure 57: Attitudes toward shelf stable meals, by gender, February 2004  
Figure 58: Attitudes toward shelf stable foods, by age, February 2004  
Figure 59: Attitudes toward shelf stable foods, by household income, February 2004  
Figure 60: Attitudes toward shelf stable foods, by presence of children and marital status, February 2004

#### *Attitudes toward canned meals*

Figure 61: Attitudes toward canned foods, February 2004  
Figure 62: Attitudes toward canned foods, by gender, February 2004  
Figure 63: Attitudes toward canned foods, by age, February 2004  
Figure 64: Attitudes toward canned foods, by household income, February 2004  
Figure 65: Attitudes toward canned foods, by presence of children and marital status, February 2004

#### *Summary*

### **FUTURE AND FORECAST**

#### **Future trends**

*More product diversity, but no dramatic departures*

*Increased marketing support*

*Declining household size*

Figure 66: Average household size, 1998-2008

*Projected decrease in numbers of households with children present*

Figure 67: Projected growth in number of households with children, 1998-2008

#### *Diet and Health*

#### **Market forecast**

*Forecast of sales of shelf stable meals*

Figure 68: Forecast of U.S. sales of shelf stable meals at current and constant prices, 2003-2008

*Forecast of macaroni and cheese sales*

Figure 69: Forecast of U.S. sales of macaroni & cheese, at current and constant prices, 2003-2008

*Forecast of shelf stable pasta sales*

Figure 70: Forecast of U.S. sales of shelf stable pasta, at current and constant prices, 2003-2008

*Forecast of prepared chili sales*

Figure 71: Forecast of U.S. sales of prepared chili, at current and constant prices, 2003-2008

*Forecast of microwaveable packaged dinners sales*

Figure 72: Forecast of U.S. sales of microwaveable packaged dinners, at current and constant prices, 2003-2008

*Forecast of prepared dinners/ entrées sales*

Figure 73: Forecast of U.S. sales of prepared dinners/ entrées, at current and constant prices, 2003-2008

Forecast factors
